

ANDERSON CENTER

The Executive Forum is designed to increase the effectiveness of business leaders. The program consists of a year long educational process that will change the way you think. It is fast-paced, concentrated and highly interactive. Within the twelve months there are three one-week educational sessions. Each one-week session is a full-time commitment and will concentrate on specific business topics related to the survival, growth and expansion stages of business.

FORUM TESTIMONIALS

“The Executive Forum was a unique experience to spend quality time with leaders from other industries.”

Darren Heying — [President, Sentry Bank](#)

“This is a high quality forum. The experiences of others provided valuable insights and the concepts are solid.”

Lynn Bushinger — [CFO, Initiative Foundation](#)

“The Executive Forum has been a great session to expand my knowledge in my strong areas of business along with learning about business segments that I have not had intimate dealings with in the past.”

Eric Kolstoe — [VP of Manufacturing, FAST Global Solutions](#)
