

ANDERSON CENTER

The Executive Forum is designed to increase the effectiveness of business leaders. The program consists of a year long educational process that will change the way you think. It is fast-paced, concentrated and highly interactive. Within the twelve months there are three one-week educational sessions. Each one-week session is a full-time commitment and will concentrate on specific business topics related to the survival, growth and expansion stages of business.

FORUM TESTIMONIALS

“The opportunity to interact, discuss, and debate issues and challenges you are facing — with other executives — was wonderful. My time could not have been better spent.”

Jon Ruis — [CEO, United Way of Central Minnesota](#)

“The Executive Forum was the single best investment that our company has made in my leadership development.”

Mac Cariveau — [Executive Vice President, Coldspring](#)

“There is immense reward in knowing the takeaways of the Forum can start to be put to work in my organization tomorrow.”

Lisa Barnett — [CEO, Atomic Learning](#)
