LEADERSHIP
FORUM

The Leadership Forum is based upon the globally renowned FranklinCovey® course, "Leadership: Great Leaders, Great Teams, Great Results™," which helps leaders discover how to inspire trust and build credibility, define a clear and compelling purpose, create and align systems, and unleash the talents and energy of a winning team.

FORUM OBJECTIVES

Before the forum begins, leaders will participate in FranklinCovey's online 360-degree Leadership Quotient® (LQ) assessment. This feedback process provides valuable data to help participants measure their own leadership capacity and capability and will be utilized throughout the Forum.

During the 3 day forum, participants will be oriented to the 4 Imperatives of Great Leaders so they will be able to effectively 1) Inspire Trust, 2) Clarify Purpose, 3) Align Systems, and 4) Unleash Talent. An action plan for development and improvement will be created.

Online resources (www.leadershipcontract.com) and various follow-up activities, including the opportunity for another assessment to measure improvements after six months (LQ₂), will support ongoing development.

MANAGEMENT AND LEADERSHIP DEVELOPMENT

"Leadership is a critical skill today. The Leadership Forum is a process for developing and honing that skillset. I liked the idea that this is a process, not just a three-day course."

Brad Goskowicz, CEO, Microbiologics

"We needed a way to improve our alignment and congruence, and this provided the means to do it—while at the same time identifying things I can do to improve as an individual."

Greg Flint, VP of Operations & Strategy, Coldspring
